There's $91 million in the COVID bill for "outreach to student loan borrowers". Outreach for what? To tell them hi? To tell them they owe money? To tell them they should've picked a different major? Seriously what are we reaching out about and why does it cost $91 million? 🤷‍♂️

If you don't like mask mandates coming to an end, then keep your mask on.

If you don't like schools opening back up, then homeschool your kids.

If you don't like restaurants opening at 100% capacity then eat at home..

You do you, and the rest of us will do us. That's America!

If you don't like mask mandates coming to an end, then keep your mask on.

If you don't like schools opening back up, then homeschool your kids.

If you don't like restaurants opening at 100% capacity then eat at home..

You do you, and the rest of us will do us. That's America!

Biden wants America to celebrate our independence on July 4th by letting an old elitist with dementia tell us what we are and aren't allowed to do. No thanks. We already fought a war over this and the tyrants lost. Independence means that we're able to decide for ourselves.

15 days to slow the spread was an arbitrary number. The government never had any intention to return the power to the people. Now this soft July 4th date? The goalpost will always keep moving. Don't seek permission. Just do it. Congregate. Live life. Never ask permission.

The Founders didn't gather on a humid July day in 1776 - eloquently telling King George to piss off and risking death by hanging in the process - so that 245 years later, Joe Biden could give you permission to gather with friends and commemorate the occasion.

Now @AOC has called on Gov. Andrew Cuomo to resign over sexual harassment allegations made against him by former staffers. Joe Biden's accused of sexual harassment AND sexual assault by a former staffer. Much worse than the Cuomo allegations. Why isn't AOC demanding Biden resign?

This is nothing more than pandering from the guy who wouldn't stand with the President on election integrity.. You have NO POWER in Congress and nothing will come of this..

You need PRIMARIED along with the other RINOs!!

Even though the mask mandate is no longer effective in Texas, people keep wearing their masks.

We went to a public place with about 50 people in a large space, every one was wearing masks except the two of us.

The indoctrination is working.

They THOUGHT they would install Hillary as President in 2016. They didn't count on the resolve of the American voter.

This time, they KNEW they had to completely rig it so Biden "won".

Enter covid & Dominion...

Now we have a puppet regime akin to any third-world dictatorship.

Notice not one liberal has been able to challenge the argument that she cannot carry a fallen male soldier out of a canyon... All they do is make personal insults, and stick to their idiot talking points from the mainstream media.

Matt Couch @RealMattCouch 6m

The purpose that Tucker was trying to make was to not put anymore soldiers in harms way, or to endanger your fellow soldiers. It's really quite simple to figure out when you use logic and common sense, which has went out the window for the media and liberals in general.

People in the military would've faced a relentless barrage of attacks from the media if they had gone after any CNN or MSNBC personalities from official military accounts while in uniform. Kind of gives the whole game away to watch them sit in silence as Tucker's attacked.

There's a mask mandate in Los Angeles where violations can carry a $1,000 fine or 6 months in jail but apparently COVID isn't a concern if you're a celebrity at the #Grammys 🏆. Celeb parties are no big deal but have a family party in LA and the mayor can turn off your power.

It would be a shame if there was a huge event planned April 29 - May 2nd in Dallas/Fort Worth hosted by Myself, Pastor Brian Gibson, & Pastor Greg Locke.. With dozens of special guests, speakers, & break out sessions teaching the Principles of Christ, Country, & Constitution :)

Despite the misrepresentation of the #'s, gun deaths aren't even in the top 5 things that kill us. Remove the majority of which are suicide, deduct accidental & that # is substantially reduced. Of the remaining, the vast majority are gang related deaths.

This is a lie according to the Atlanta Police. This is race baiting at its best.

It doesn't matter how much Democrats hate @mtgreenee — voters in Georgia elected her to represent them. They decide who represents them, elected Democrats don't get to decide for them. The #ExpelGreene bill is really an #ExpelVoters bill aimed at disenfranchising Georgia voters.

Some of these insufferable radio commercials, “we adhere to strict CDC rules, so come on down and see us”.

They act like it’s a virtuous selling-point or something... 🤦 😕

I tend to completely avoid establishments that feel like the CDC can rule our lives. No thanx... 🤣

Biden is no match for Putin. Putin is a stone cold killer, a legitimate high-level judo practitioner, and intellectually 10 steps ahead of Joe. He has no respect for our President and a debate challenge was his way of belittling America. He knows Joe is weak - as does the world.

Arkansas Basketball was a juggernaut in the 70's, 80's, and 90's lead by Eddie Sutton and Nolan Richardson, two legendary Hall of Fame Coaches... Six Final Fours, a National Championship..

It feels good to be back in the mix for those of us who witnessed that greatness!

VAWA ended 2 years ago. Republicans voted against the bill because it greatly expanded means to infringe on gun rights.

Stop lying.

BOB LANCIA FOR CONGRESS

Lancia Announces Candidacy for Congress

Cranston, RI In a much anticipated decision, former Navy chaplain Bob Lancia has officially announced his 2022 candidacy for Congress to represent the people of Rhode Island's 2nd Congressional District. Lancia, who shocked political observers with a grassroots effort that nearly upset career politician Jim Langevin in 2020, is driven by the issues that are hurting the hardworking people of Rhode Island.

"Rhode Island is in crisis: our cost-of-living is crushing, unemployment is alarmingly high and shows few signs of improving, wages are stagnant. Covid lockdowns have devastated our business community and their employees, our children's futures have suffered from the pandemic. Yet the incumbent has offered no solutions to deliver brighter futures for all Rhode Islanders. I will.

"Democrats control all three branches of government. Yet James Langevin has failed to deliver anything substantive to build prosperity in the Ocean State. Bribing us with our own money is a poor strategy, we will be forced someday to pay that false largesse back with interest.

"If there's one thing Langevin's decades in Congress has taught us, it's that for Mr Langevin, 'out of control government spending' doesn't matter. With the recent passage of the $1.9 trillion stimulus bill, the National Debt now stands at $30 trillion. This is a dangerous financial burden that weighs down the futures of our children and grandchildren, and it needs to stop!

"Congressman Langevin has repeatedly told Rhode Islanders that help is on the way. Yet in his 20+ years as part of the political class, he has failed to deliver for working class Rhode Islanders. If Rhode Islanders voters honor me with their votes, I promise to work

Every time there is a shooting Democrats try to take away the guns of law abiding citizens... Statistics prove that the cities with the strictest gun laws have the worst gun related shootings..

It's literally like wiping your a** and then taking a crap...

That's Democrats..

Ahmad Al Aliwi Alissa murdered 10 people in Boulder, CO. Biden immediately called for a ban on “assault weapons.” Dems enthusiastically agree.

Let me be clear: As long as I’m AG, the left will *never* be allowed infringe on Texans’ 2A rights. #2A

I'm ashamed an extremist like Dr. Rachel Levine would be confirmed as assistant health secretary. @RandPaul asked if Dr. Levine would oppose going around parents to put KIDS on hormones or have their genitals mutilated. The Dr. refused to oppose it. Evil.

Reporter: "Would you like to put on a mask Senator"

Cruz: "No? But you're welcome to step away if you'd like."

That's pretty much where I am these days. Our state dropped the mask mandate and no store I've been to so far is enforcing their mask policy. If somebody doesn't like me going around maskless, they can continue to social distance. In fact, I prefer that they do

They have BOTH violated Civil Rights Act.

Careful who you are taking advice from Mr. President, remember what happened in 2020 Sir.. I know you'll see this. -MC

I did not hear one report stating that the shooter was a white supremist. They haven't even called him a jihadist. They've said almost nothing about his motivation. This writer is just good at telling people what they should think based on their fears and ideology

Make no mistake about it... The battle we have isn't with the State and Federal Governments on masks, they're dropping them..

It's the corporations who will refuse to let them go... It's going to be the same as No Shirt, No Shoes, now add No Mask, No Service..

When pastors like @leadpastor @BlackRobeChick speak the truth, there will be backlash. Jesus the savior of the world was mocked, ridiculed, and crucified. But his word has stood strong, his word is eternal. The truth cannot be canceled out.

> **Matt Couch** @RealMattCouch
> No, what's shameful is you claiming to be a pastor of any kind while calling our Lord and Savior Jesus Christ a racist. Pastor Brian Gibson had the courage to call you out while other weak pastors say in their hands! Good for him!

How is it unconstitutional? The right to bear arms is specifically given to a well regulated (controlled) militia (military force raised from civilian population to supplement the regular army in an emergency) No where does it give ANYONE outside that the right to bear arms.

How is it unconstitutional? The right to bear arms is specifically given to a well regulated (controlled) militia (military force raised from civilian population to supplement the regular army in an emergency) No where does it give ANYONE outside that the right to bear arms.

A Radical Leftist Democrat politician was arrested for trying to interrupt the Governor of Georgia yesterday evening as he was signing into law a requirement for voter ID...

Voting is a right. Things that require an id are a privilege. If an ID is going to be required to vote, then id's need to be free to every American and they should be sent to them automatically. Otherwise this is just a poll tax by requiring citizens to pay for an ID.

Too many words to describe the satanic substitute for Christianity we find from Greg Locke

Outspoken Pastor that is unashamed of the Gospel of Jesus and refuses to bow to the politically correct idols of our culture

Isn t that illegal since the vaccine is still in the experimental phases and is not licensed by FDA? I don't know what can be done by those "forced" by an organization, but it should be illegal

An FBI that ignores signs of anti-American sentiment from a Syrian immigrant (who later went on to murder 10 Americans) but will assign a special detail for a garage door pull is an agency that operates based on optics and woke standards with no regard for actual law enforcement.

History repeats in circles. Remember who was targeting and ridiculing Jews,(including posting their caricature)out of a political agenda? His name was HITLER & he was a socialist. Whoever target political diversity with the same technique is a threat. Watch carefully

Some people work at companies that now require employees to put pronouns into their organization bios/work-related Facebook pages/etc.
So seeing a list of pronouns in the bio may reflect what the individual is doing under duress.

Boulder Shooter Ahmad al-Issa passed a background check. I thought those were supposed to keep us safe? When will we realize that gun laws, gun bans, gun-free zones, and all the background checks in the world won't save a life? The FBI knew about this guy and they did nothing!
